## **Mercy Infusion Center at Clayton-Clarkson**

Mercy Infusion Center offers a full range of services in a relaxed, comfortable and convenient setting. We treat patients with rheumatoid arthritis, immune deficiencies and cancer who need ongoing therapy, a single treatment or blood product support.

### **Our services include:**

- Chemotherapy
- Immunotherapy
- IV Fluids
  - Anti emetics
  - Antibiotics
  - Analgesics
- Complex biologicals
- Blood products
- Injectable medications
- Investigational therapies

Patients receive close, personal attention from our experienced physicians, nurses and cancer navigators, who are supported by social services, dietary and pastoral care specialists.

## **For Your Comfort and Convenience**

Mercy Infusion Center is easily accessible on the first floor of our spacious and modern Clayton-Clarkson facility. In addition to being home to physician offices and other medical services, this Mercy location offers:

- Wellness/gift shop
- Mercy Pharmacy
- Plenty of free parking
- Mocha and More Café
- Comfortable waiting areas
- Free Wi-Fi

We are conveniently located at the corner of Clayton and Clarkson Roads in the Clarkson Valley/Ballwin area.
